## CELMA PRESS RELEASE

19/03/2008

**CELMA REGISTER  
TO PROMOTE EUROPEAN PRODUCERS COMMITTED TO  
PROVIDE GOOD QUALITY LIGHTING PRODUCTS & PRACTICE**

CELMA, the Federation of National Manufacturers Associations for Luminaires and Electrotechnical Components for Luminaires in the European Union, is very happy to announce that the CELMA Register, a tool to promote European producers committed to provide good quality lighting products and practice, has been adopted by several major European lighting companies.

### WHAT IS THE CELMA REGISTER?

- ❖ The CELMA Register is a **voluntary scheme** for European producers that responds to the desire of CELMA members to make an impact on the European market by promoting **fair and sustainable standards for good quality lighting products and practice**.
- ❖ Producers taking part are **CELMA Registered Companies** and become recognised as such in the market place.
- ❖ The CELMA Register is a **scheme** not **related to** product but to **producers companies**.
- ❖ The core of the system is the “**CELMA Code of Conduct**” whose requirements are going beyond of the requirements of the ENEC Mark or ISO 9000.
- ❖ The scheme is owned and managed by **CELMA** without any intervention of external bodies

## BENEFITS OF THE CELMA REGISTER

**For the customers:** the CELMA Registration Scheme is designed to assure specifiers, distributors and contractors that products supplied by the CELMA Registered producer companies listed in the Register are:

- ❖ Complying with all the applicable European legislation
- ❖ Of good quality
- ❖ Provided with well documented performance and application data
- ❖ Produced by a qualified European producer complying with the CELMA Code of Conduct.

**For the public procurement officers:**

- ❖ A single register of qualified European producers

**For the producers:**

- ❖ **European** impact and influence on the whole market
- ❖ Common platform of quality and reliable provision of lighting services
- ❖ Opportunity to enhance the brand image
- ❖ Provides a tool for effective market surveillance
- ❖ The Register is a common marketing tool for CELMA Manufacturers
